## كيف تقدم عرضاً في المزاد المباشر على الانترنت محدد التوقيت.

هنالك تاريخ محدد لافتتاح وفتح المزاد المباشر على الانترنت محدد التوقيت. يمكنك مشاهدة الصور الفوتوغرافية ومواصفات الأصول المعروضة قبل فتح المزاد. هنالك طريقتان للمشكلة في المزاد المباشر على الانترنت محدد التوقيت:

1. العروض المتزايدة تدريجياً - بالنقر على زر "طلب السعر"، تقوم بوضع عرضك في المزاد بسعر أعلى بقليل من السعر الذي قدمه صاحب العرض السابق. يختلف مزاد العروض المتزايدة تدريجياً وفقاً للأصول المعروضة.
2. عروض المنافسة التلقائية - إذا كان لديك سعر لصف معين ولا تود تقديم سعر أعلى منه، يمكنك تقديم ذلك السعر، ويقوم النظام تلقائياً بالمزايدة تدريجياً بالنيابة عنك إلى حين تقديم سعر أعلى من المبلغ الذي حددته. عند تقديم سعر أعلى من الحد الذي قدمته، سيتم إزالتك من المزاد.
3. ملاحظات مهمة: لا يمكنك إلغاء العرض بعد تقديمه يجب ضمان توافر مبلغ يكفي للأصناف التي قدمت عروضك بشأنها فوراً بعد المزاد. ستكون مسئولاً عن جميع الأصناف التي قدمت عروضاً بشأنها وفرت بها. بعد المزاد لا يمكنك اختيار مجموعات معينة من الأصناف التي فرت بها.

## كيفية تقديم العروض في المزاد عبر الانترنت

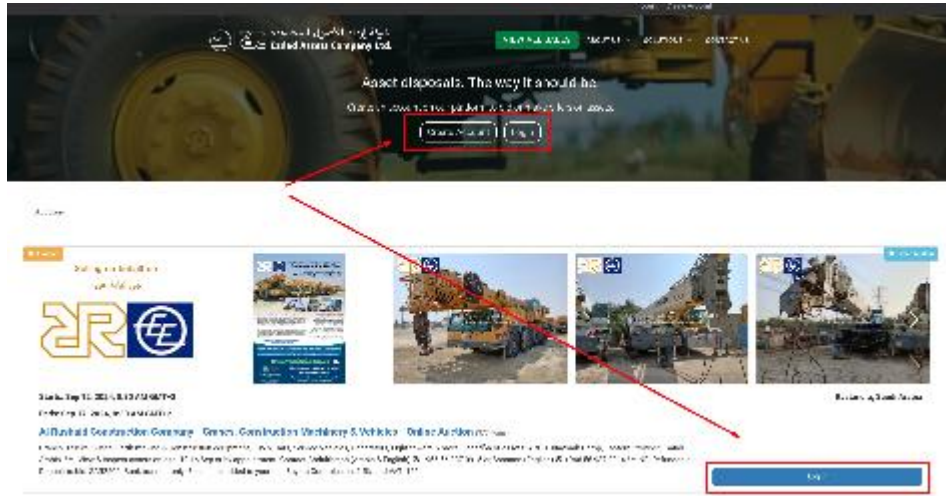

مقدمو العروض عبر الانترنت يمكنهم التنافس مع مقدمي العروض الحضريين أثناء سير المزاد. يختلف المزاد عبر الانترنت عن المزاد محدد التوقيت وذلك بوجود موظف مزاد مؤهل يقوم بإدارة المزايدة التبريرية. يوصى بتقديم العروض في وقت مبكر إذ لا يمكنك تقديم عروض للتنافس التلقائي عند إقفال المزاد. يمكنك تقديم عروض مزايدة تدريجية أو عروض المنافسة التلقائية قبل بدء المزاد عبر الانترنت.

## How to bid

Ezdad Assets Company conducts live auctions with webcast and online timed auctions. To bid for assets on our current online auctions, follow the follow procedure.

### Create account, log in, and register

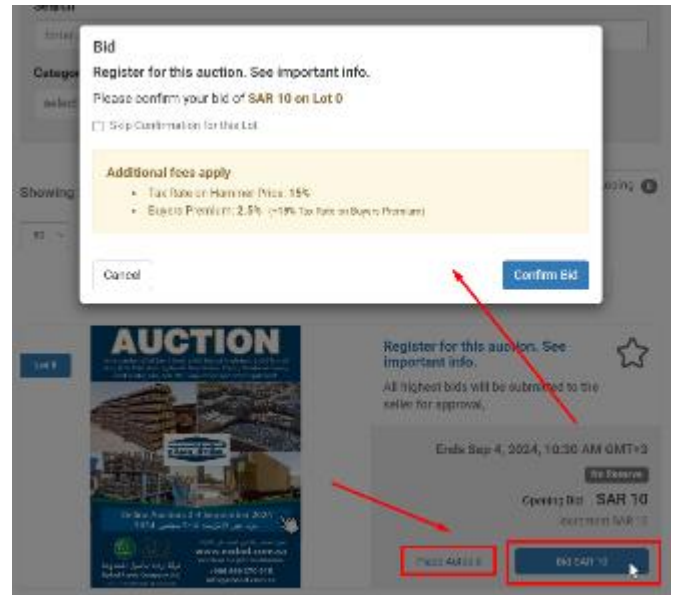

- To bid in our auctions, you'll first need to create an account. You'll find the 'Create Account' and 'Login' link at the top of our homepage, <https://www.ezdad.com.sa>.
- Fill in and submit your details.
- An activation email will be sent to the email address you specified. (If you can't spot the email in your inbox, please check your junk/spam folders.)
- Once you've clicked the 'Activate' link in that email, your account will be active, and you'll be able to register for an auction.
- Each auction requires you to submit your registration information. The application is then reviewed by our staff or the seller for approval.
- Once approved, you'll receive an email from us to confirm your registration for the auction you've specified. Please note that a fully refundable deposit may be required each time; you'll find these details in your confirmation email.

### How to bid during a timed online auction

A timed online auction has a specified bidding date, with open and closing times. You can view photos and descriptions of the asset prior to the open. There are two ways to participate in a timed online auction:

- Incremental bidding — By clicking on the 'Asking price' button, you add your bid to the auction at a price that is one increment higher than the previous bidder's. The incremental bid varies depending on the asset.
- Autobids — If you have a price in mind for an item, and don't want to go beyond that, you can enter that amount and the system will bid incrementally for you until your limit is reached. If there is a bid higher than your limit, you'll be removed from the bidding.
- Important to note:** After you bid, you cannot cancel your bids. Ensure you have funds available to pay for the items immediately after the auction. You are liable for all items you bid on and win. You cannot choose which lots to take after the auction.

### How to bid during a webcast auction (coming soon)

Webcast bidders compete online with floor bidders by clicking a 'Bid' button while the auction is live. Unlike a timed online auction, a qualified auctioneer is in control of the bidding increments. Bidding early is recommended as you can't place autobids in the closing. You can enter incremental or autobids prior to the start of a webcast auction.
