1. THE OFFER

- 1.1. The Offeror irrevocably offers to purchase the Assets as per the list as set out in this Agreement (“Offer”) on a rolling closing basis. In other words, the first offer on an asset creates a closing date.
- 1.2. The final date for offers will be September 30th, 2020 at 4:00PM.
- 1.3. The Offer excludes a 10% buyers’ premium and VAT which will be levied on both the offer price as well as the buyers’ premium;
 - 1.3.1. There will be an additional fee of R1 826.09 excluding VAT (R2 100.00 inc VAT) for each item that has registration papers (log books). WH will provide papers dealer stocked in our name for these items and will inform the Licensing Department of a change of ownership. This guarantees Offerors a clean title on all licensed items.
- 1.4. The first offer by any Offeror submitted, begins a 7-working day Offer Period. Offers will continue to be accepted during this 7-working day period;

INITIAL HERE:

- 1.4.1. The first offer received by ANY offeror opens the 7-working day period. It must therefore be understood that your offer may not be the first received and we urge buyers to put in offers as soon as possible to prevent closure;
- 1.4.2. The highest offer received during this 7-day period will be accepted provided that the offer amount is more than the Minimum Confirmation Price and complies with the Terms and Conditions set out herein;
- 1.4.3. Offers below the Minimum Confirmation Price may be made, however, these will be subject to consideration and will not necessarily be acceptable;
- 1.4.4. If two offers are received with the same value, the one received by WH first will be deemed as the highest offer (this is based on WH email receipt and not the Offerors email send time);
- 1.4.5. Competing Offers submitted during this 7-day period do not extend the offer period;
- 1.4.6. Offerors will not be informed of higher Offers received during the 7-day period;
- 1.4.7. An Offeror may increase their Offer during this period, (bearing in mind that they may not have been the first Offeror and the item in question may be sold). This must be made with a new agreement and will not delay the Offer Period. An increase in the deposit would be required;
- 1.4.8. Each offer is on an item-by-item basis. No conditional or 'bundled' offers are permissible and will not be considered.
- 1.4.9. A 10% deposit of the full Offer Amount is payable;
 - 1.4.9.1. Unsuccessful Offerors will receive a refund with 2 working days of notification;
 - 1.4.9.2. The full deposit will be applied to successful offerors and any remainder will be refunded within 2 days of invoicing.
- 1.5. No Offer may be revoked by the Offeror for any reason.
- 1.6. Items highlighted in blue are priced as "repaired". Repairs mean that the item will be put into running mechanical order. Missing and / or broken parts will not be repaired or replaced unless they are mechanical in nature;
 - 1.6.1. The Offeror agrees to a maximum 30-day repair period, failing which the transaction will be voided and the Offeror returned their payment.
- 1.7. All items are sold as an As-Is, Where-Is basis and viewing is strongly suggested
 - 1.7.1. Some items are not in running condition
 - 1.7.2. Limited history for some items is available at the Kyalami site;
 - 1.7.3. The Offeror confirms that they have inspected the assets and that the Offeror will not have any recourse for any incorrect information provided or the condition of any items offered on.
- 1.8. All items are sold where they currently are located. The buyer will be responsible for all moving costs.

- 1.9. WH Auctioneers will contact the successful party within 2 business days after the Offer Period has expired and provide an invoice for payment within 2 business days thereafter;
- 1.10. The Offeror acknowledges and agrees that the offer will only be considered if:
 - 1.10.1. submitted prior to the closing date;
 - 1.10.2. duly completed, signed, and initialled and accompanied by the requisite FICA documentation as required;
 - 1.10.3. the respective deposit has been paid into the WH Auctions account with proof of payment provided;
 - 1.10.4. Considered on an Item-by-Item basis whereby the Offeror agrees that they may be successful in the purchase of one item but not another.

2. PURCHASE

- 2.1. All items are sold on an “As-is, Where-Is”, (voetstoets) basis. In other words, neither WH or the seller warrant any of the assets in any way. All information is provided to the best of our knowledge but is not guaranteed.
- 2.2. The purchase consideration payable by the Purchaser to WH (on behalf of the Seller) is the Purchase Price (plus 10% Buyers Premium and 15% VAT thereon both the Purchase Price and the Buyers Commission).
- 2.3. On awarding of an offer, the Offeror will pay the full purchase consideration inclusive of Buyers Commission and VAT within 48 hours of receipt of the invoice. Should an Offeror not pay within 48 hours of invoicing, WH will elect to either resell the item/s or offer it to the under-bidder, and the deposit will be forfeited as roukoop.
